

IMPORTANT INFORMATION ABOUT DELAWARE E-FILING FROM CORPORATION SERVICE COMPANY[®] (CSC)

The *Most Convenient* Way to Manage Your Delaware Annual Franchise Tax Reports — Due Date: March 1, 2004

Preparing, filing and paying your Delaware Annual Franchise Tax Reports has never been easier with CSC's exclusive E-Filing service. E-Filing is a time and money-saving electronic service designed to eliminate the burdensome paperwork involved with multiple entity filings. Simply go to www.incspot.com/efiling and follow the easy instructions.

First-time e-filers:

If you are a first-time e-filer, view an on-line demonstration of CSC's Delaware Annual Franchise Tax E-Filing program at www.incspot.com, then click "Show Me" and select "E-Filing." Should you elect to e-file, your portfolio is ready for your review and filing.

Previous e-filers:

If you filed previously with CSC's electronic filing service, your information is already stored in our convenient centralized database. With minimal updates required, your filing and payment obligations will be more streamlined than ever before.

Using E-Filing, you can:

- Access information for all of your Delaware companies and their filing status instantly
- Calculate Alternative Tax for single and multi-level stock structures
- Consolidate and file all your Delaware companies in just seconds
- Complete all franchise tax forms instantly
- Track the status of all your Delaware Annual Reports
- Allocate filing fees to correct cost centers
- Make a single payment for all filings with ACH transfer, credit card, check, or wire transfer
- Get instant e-mail confirmation that your filings have been accepted
- Save even more time next year because all of your information is automatically stored

With Delaware E-Filing from CSC, the technology of the future is in your hands today. When you are ready to file, go to www.incspot.com/efiling and follow the step-by-step instructions.
